Building and Construction Trades Council of South Central Wisconsin Announces Madison Common Council Endorsements

The City of Madison Common Council endorsements of the Building Trades Council of South-Central Wisconsin and the Greater Madison Chamber of Commerce align. The organizations support candidates who are focused on jobs and economic growth.

The Building and Construction Trades Council of South Central Wisconsin announced its endorsements for Madison Common Council today. Building Trades Council Executive Director Dave Branson said “The Building Trades Council of South-Central Wisconsin supports candidates who are committed to economic development for the City of Madison. The Council is excited to endorse these candidates for the Common Council.”

The Building Trades Council has endorsed the following Common Council Candidates:

District 1: Barbara Harrington-McKinney

District 3: Lindsay Lemmer

District 5: Shiva Bidar

District 7: Donna Moreland

District 8: Avra Reddy

District 9: Paul Skidmore

District 10: Kristin Johnson

District 11: Arvina Martin

District 12: Syed Abbas

District 13: David Hoffert

District 14: Sheri Carter

District 16: Michael Tierney

District 19: Keith Furman

District 20: Christian Albouras

Branson said “The Building Trades Council feels it is important to elect candidates that are committed to economic development in the City of Madison. The city is developing and

growing and we want to elect Common Council that will promote the growth and development.”

The endorsements of the candidates line up with the endorsements of the Greater Madison Chamber of Commerce just as they have in the past three Common Council elections. The Greater Madison Chamber of Commerce press release regarding their endorsements is attached.

The Building and Construction Trades Council of South Central Wisconsin is made up of 17 International Building Trades Unions. The Building Trades represents over 4,000 members who live and work in the greater Madison area. Our Building Trades members work for contractors that utilize the skilled labor pool available through our local union affiliates.
