

# NOTE ON COVID-19 PROTOCOLS FOR 2021

We are dedicated to bringing safe and engaging events back to the community this year at the Duck Pond! At the time of your event, Public Health Madison Dane County Guidelines and restrictions will be followed in accordance with the most current orders.

## GUIDELINES FOR EVENTS AT THE DUCK POND:

- Stadium capacity may be limited both indoors and outdoors and will be enforced
- Masks will be required when not eating or drinking
- Food and beverages will be available for touchless purchasing
- The only time masks can be removed is when seated to eat and drink
- Beverages will be packaged or served, no self-service fountain drinks will be available
- Where possible, doors and windows will be propped open to promote air flow and to limit touching handles
- Hand sanitizer stations will be available throughout the venue
- Strict employee protocols and safety measures will be implemented and enforced
- Additional cleaning and sanitization procedures will be implemented, including sanitization between events and sanitization in high-traffic areas during events
