## **Savant Wealth Management Named to Inc. 5000 List**

*Firm recognized as one of the fastest growing companies in the nation*

**ROCKFORD, Ill. (Aug. 15, 2023)** – [Inc.](#) announced today that [Savant Wealth Management](#), a nationally recognized, fee-only registered investment advisor (RIA), has been named to the Inc. 5000 annual list of fastest-growing private companies in America. Ranking No. 4,589 overall and No. 248 in the financial services industry, this is Savant’s inaugural year of being recognized on the prestigious list. Savant and all companies paid an entry fee to be considered for the recognition but did not pay to be included on the list.

The Inc. 5000 class of 2023 represents U.S. companies that have driven rapid revenue growth while navigating inflationary pressure, the rising costs of capital, and hiring challenges. This year’s Inc. 5000 companies have added 1,187,266 jobs to the economy over the past three years.

“We are honored to be recognized by Inc. as one of the fastest growing companies in the U.S.,” said Brent Brodeski, CPA, CFP®, CFA®, MBA, CEO of Savant Wealth Management. “The honor is a direct reflection of Team Savant’s long-term and accelerated growth plan that’s focused on impacting the lives of a million people through retaining and recruiting top-tier talent, investing in new technology, and focusing on strategic acquisitions, marketing, and practice management.”

A three-year revenue growth of 89 percent helped Savant earn a spot on the Inc. 5000 list, and the firm’s projected growth is expected to continue to climb as Savant focuses on achieving its goal of three-to-five times growth over the next five years.

“Running a business has only gotten harder since the end of the pandemic,” says Inc. editor-in-chief Scott Omelianuk. “To make the Inc. 5000—with the fast growth that it requires—is truly an accomplishment. Inc. is thrilled to honor the companies that are building our future.”

Savant, headquartered in Rockford, IL, has 35 offices in 13 states, and employs 464 team members with 136 employee owners.
